

REMARKS

By this amendment, Applicant elects Species A, Group I. Accordingly, claims 17 and 18 are withdrawn. In addition, since claim 16 includes embodiments that overlap both Species A and B, and to facilitate prosecution in this application, claim 16 is also withdrawn.

In addition, new dependent claims 34-49 are included with this amendment.

Further, no claim fees are due. There were seven (5) independent claims and thirty nine (6) total claims previously paid for; by this amendment, three (3) independent claims are canceled and sixteen (16) dependent claims are added. Therefore, eighteen (18) total claims remain, two (2) of which are independent.

No new matter is added by these amendments.

Respectfully Submitted,
